STATEMENT REGARDING JACOB ANGELI-CHANSLEY

The Arizona Libertarian Party has been made aware that Jacob Angeli-Chansley has filed a Candidate Statement of Interest form with the State of Arizona expressing his intent to run as a candidate seeking the Libertarian Party nomination for the office of U.S. Representative in Arizona's 8th Congressional District on November 9th, 2023.

The AZLP typically refrains from commenting on candidate campaigns during the Primary Election period to avoid inadvertently tipping the scales for any candidate but given the number of media requests and messages we have received on this topic we felt it necessary to respond.

Currently the AZLP has no confirmation of Mr. Angeli-Chansley's eligibility to seek the Libertarian Party nomination. There are state statutes regarding eligibility requirements, and candidates who wish to appear on the General Election ballot with a party label must first win the party nomination at the Primary Election. In Arizona anyone who meets the eligibility requirements to do so may run for public office, but that is determined by laws governing Arizona elections, and not the AZLP.
